

REMARKS/ARGUMENTS

It is respectfully requested that the above noted amendments to the specification be made under the provisions of Rule 312. The requested changes are for the purpose of correcting informalities and/or inconsistencies in the language of the specification. Care was taken not to add any new subject matter. Due to the nature of the changes requested, there will be no additional searching or other significant amount of time required of the Examiner in the review and entering of this Amendment.

Respectfully submitted,
